D.C.

~ ORCHIDS ~

On the ever-widening circle of Orchid lovers, and those who are turning to Orchid growing through the realization of the satisfaction and enjoyment derived from the association with these beautiful flowers, and the ease in the actual growing of the plants, we offer our co-operation in any way we may be of assistance to you.

An unusually fine, strong, healthy stock of Orchid plants in both Species and Hybrids is now on hand for Fall deliveries. Our collection includes many rarities and unique varieties from all parts of the Orchid world.

Your most exacting requirements in Orchid plants can be filled by us with complete satisfaction to you, whether it be one plant or many.

We respectfully solicit your inquiries for information regarding Orchids.

Order your Fall and Winter Orchid plants and materials now before December cold weather makes shipment hazardous.

List No. 93.
